

It is noted that the claims directed to non-elected subject matter remain in the application. It is requested that these claims be permitted to so remain in a dormant condition pending the filing of one or more divisional applications directed thereto.

In order to fully comply with their duty of disclosure, Applicant wishes to take this opportunity to advise the Examiner of the list of corresponding applications filed in connection with the present application and its parent U.S. application Serial No. 656,731. This list of corresponding applications is attached hereto.

In order to further assist the Examiner in connection with his examination of this application, Applicant wishes to more fully advise the Examiner concerning publications which he may consider to be material in his examination of the application. A completed form PTO 1449 is attached hereto listing certain patent publications. Also attached hereto are copies of certain of the foreign patent publications.

In connection with the cited publications, the Examiner's attention is directed to page 9 of the instant specification.

The Japanese Patent Publication Kokoku 10996/1967 is attached hereto. Should the Examiner desire an English translation of this publication, Applicant will endeavor to provide the same. It is, however, believed that the subject matter of the publication is apparent from a consideration of the Japanese language publication.

Japanese Patent Publication Kokai 57-93982 is believed to correspond to U.S. Patent No. 4,416,880 which is cited on the attached form PTO 1449. A copy of this U.S. Patent will be readily available to the Examiner.

Belgian Patent No. 816408 is believed to correspond to U.S. Patent No. 3,994,888 which is cited on the form PTO 1449. A copy of this U.S. Patent will likewise be readily available to the Examiner.

Belgian Patent No. 888389 is believed to correspond to U.K. Patent Publication No. 2076801 A which is cited on the attached form PTO 1449 and a copy of the British publication is attached hereto.

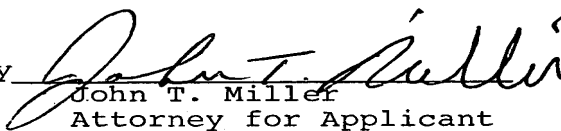

It is requested that the Examiner take these publications into account in his examination of the present application.

It is believed that the present application is now in condition for examination and such examination is requested.

Respectfully submitted,

Yoshi HAMASHIMA
